High School Education

School Noorder Paarl High School **Highest Grade Passed** Grade 12 (Matric) **Year** 2016
Subjects Afrikaans English Geography History Life Sciences Mathematics Life Orientation

Work Experience

Temporary Painter **at** Private Company **from** 4 Nov 2016 **to** 9 Jan 2017

Performance Rating Excellent
Main Job Duties Roof painting
Achievements none
Remarks Working in a higher altitude buildings was what scared me the most. Even though we had fully protection all over our body. But the exciting part was that we worked as a team and i've really learnt a lot of team work ethics

Temporary Packer **at** Polarama **from** 2 Nov 2015 **to** 7 Jan 2016

Performance Rating Truly Exceptional
Main Job Duties Packing of customers products
Achievements promoted to the next job duty
Remarks It not always easy to work in a whole Saler Shop especially when you are new to the store. But the job was hyper active too since wre not just suppost to pack the customers stuff but we also had to count all the stuff that the customer bought for a double count check from our supervisor who were right near us.

Temporary Security Guard **at** SpeedTrainer **from** 5 Nov 2013 **to** 5 Jan 2014

Performance Rating Well Balanced
Main Job Duties Stand in the entrance of the store and to check for any suspicious things happening inside the store
Achievements none
Remarks Standing the whole day and keeping your eye focus on every corner and sector of the store, which was such a tiredness job but i had to be on my duty even though i feel tired because since i'm the security guard, if something is stolen or missing inside the store then i'll be the one to be blame.

Motivation

I'm a well spoken, respectful and hardworking individual. I'm willing to help and engage with fellow students and facilitator and have the ability to be proactive and take the initiative in many situations. I'm able to express myself at a very high level when it comes to computers and related technology and see a future for myself within Engineering, Development Innovation within this sector. My inner strength lies in = my ability to embrace challenges and generally overcome because i apply myself and work towards achieving goals that will assist me in developing and enhancing my self potential. I'm success driven and highly ambitious

Competencies in Detail

Managing my Job

Attention to Detail

Is meticulous, pedantic, systematic, and accurate when undertaking a task through careful consideration for all the areas involved.

Creativity and Innovation

Applies creative problem-solving skills to his/her work to develop solutions to problems; recognises and demonstrates the value in taking “smart” risks and learning from mistakes; develops multiple alternatives and understands the feasibility of each; effectively shares and implements his/her ideas.

Problem solving

The capacity to analyse situations, diagnose problems, identify the key issues, establish and evaluate alternative courses of action and produce a logical, practical and acceptable solution.

Managing Others

Approachability

Treats others with consideration, sensitivity, and respect. Considers and responds appropriately to the needs, feelings, sensitivities of different people in different situations. Easily builds rapport and listens well.

Compassion

Cares about the whole person, work and non-work related issues. Strives to understand and empathise with others. Can place self in the shoes of others and recognise their fear, joy, frustration, sorrow, and shame. Offers practical, constructive, and empowering support when needed.

Relationship Building

Establishes rapport easily with people, develops and maintains a network of contacts that provides information, help and access to others.

Managing Myself

Energy

Works with enthusiasm and dynamism in group or organisational settings.

Flexibility

The ability to adapt and work effectively with a variety of situations, individuals and groups, to understand and appreciate different and opposing perspectives as well as adapt approach as required in the specific situation.

Independence

Taking a stand even though it may be unpopular. Speaking with candour under all conditions.
